### Thank You to Our Wonderful Volunteers!

As the festive season approaches, I want to extend my heartfelt thanks to our incredible volunteers who keep Habitat thriving. The generosity and dedication of each individual helps us provide life-changing support to families in need through all our programs. From renovating homes, to transforming lives, these efforts make a lasting impact!

If you are considering volunteering, I invite you to consider assisting our Brush with Kindness program. It's a flexible and rewarding way to give back – whether you can help once a year or more often, every bit of support makes a difference! Brush with Kindness offers the chance to join a great team, helping with basic home repairs and landscaping for disadvantaged families and crisis accommodation. No trade skills are required just a willingness to pitch in!

Together, we're making the future brighter for many.
